

# Race to the Bottom

## TOWNSFOLK

**Clockmaker** You start knowing how many steps from the Demon to its nearest Minion.

**Empath** Each night, you learn how many of your 2 alive neighbors are evil.

**Dreamer** Each night, choose a player (not yourself): you learn 1 good & 1 evil character, 1 of which is correct.

**Slayer** Once per game, during the day, publicly choose a player: if they are the Demon, they die.

**Courtier** Once per game, at night, choose a character: they are poisoned for 3 nights & 3 days.

**Mayor** If only 3 players live & no execution occurs, your team wins. If you die at night, another player might die instead.

## OUTSIDERS

**Lunatic** You think you are a Demon, but your abilities malfunction. The Demon knows who you are & who you attack.

**Klutz** When you learn that you died, publicly choose an alive good player, or you lose.

## MINIONS

**Scarlet Woman** If there are 5 or more players alive & the Demon dies, you become the Demon. (Travelers don't count)

**Spy** Each night, you see the Grimoire. You might register as good & as a Townsfolk or Outsider, even if dead.

## DEMONS

**Vortex** Each night\*, choose a player: they die. Good abilities yield false information. Each day, if no-one is executed, evil wins.
