

Clockmaker You start knowing how many steps from the Demon to its nearest Minion.

Dreamer Each night, choose a player (not yourself): you learn 1 good & 1 evil character, 1 of which is correct.

Snake Charmer Each night, choose an alive player: a chosen Demon swaps characters & alignments with you & is then poisoned.

Mathematician Each night, you learn how many players' abilities worked abnormally (since dawn) due to another character's ability.

Flowergirl Each night*, you learn if the Demon voted today.

Town Crier Each night*, you learn if a Minion nominated today.

Oracle Each night*, you learn how many dead players are evil.

Savant Each day, you may visit the Storyteller to learn 2 things in private: 1 is true & 1 is false.

Seamstress Once per game, at night, choose 2 players (not yourself): you learn if they are the same alignment.

Philosopher Once per game, at night, choose a good character: become them. If you duplicate an in-play character, they are drunk.

Artist Once per game, during the day, privately ask the Storyteller any yes/no question.

Juggler On your 1st day, publicly guess up to 5 player's characters. That night, you learn how many you got correct.

Sage If the Demon kills you, you learn that it is 1 of 2 players.

OUTSIDERS

Mutant If you are "mad" about being an Outsider, you might be executed.

Sweetheart If you die, 1 player is drunk from now on.

Barber If you die, tonight the Demon may choose 2 players to swap characters.

Klutz When you learn that you died, publicly choose an alive good player, or you lose.

MINIONS

Evil Twin You & an opposing player know each other. If the good player is executed, evil wins. Good can't win if you both live.

Witch Each night, choose a player: if they nominate tomorrow, they die. If just 3 players live, you lose this ability.

Cerenovus Each night, choose a player & a good character: they are "mad" they are this character tomorrow, or might be executed.

Pit-Hag Each night*, choose a player & a character they become (if not in play). If a Demon is made, deaths tonight are arbitrary.

DEMONS

Fang Gu Each night*, choose a player: they die. The 1st Outsider chosen becomes an evil Fang Gu & you die instead. [+1 Outsider]

Vigormortis Each night*, choose a player: they die. Minions you kill keep their ability & poison 1 Townsfolk neighbor. [-1 Outsider]

No Dashii Each night*, choose a player: they die. Your 2 Townsfolk neighbors are poisoned.

Vortex Each night*, choose a player: they die. Good abilities yield false information. Each day, if no-one is executed, evil wins.
